The earliest evidence of African-American art in the United States is the work of skilled craftsmen slaves from New England. Two categories of slave craft items survive from colonial America: articles created for personal use by slaves and articles created for public use.

African-American art - Wikipedia

The artists included in SAAM's collection powerfully evoke themes both universal and specific to the African American experience. Many reflect the tremendous social and political change that occurred from the early Republic to the Civil War, through the rise of industry, the Jazz Age and the Harlem Renaissance, the post-war years, the Civil Rights movement to present day questions of personal identity and racism.
