Boundaries Of The Soul Practice

Now, in a completely revised edition of Boundaries Of The Soul, Dr. Singer incorporates the latest developments in Jungian psychology over the last two decades, particularly in the areas of masculine/feminine relationships, the use of psychotherapeutic drugs, and the evolution of Jung's concept and personality types and its application both clinically and in the world of business and industry. In addition, the case histories, so central to understanding many of Jung's concepts, have been re ...
