C) a comparison of participants' scores on a skills test before and after attending a training session intended to improve the skill D) None of the situations above is suitable for a t test for independent means.

ENC 510 Final Exam Flashcards | Quizlet

The worst final exams can seem unfocused, determined to test everything, or random things. The best final exams are learning moments. If you presented a set of learning goals and objectives to your students on your syllabus, you're way ahead of the game, because that means you've thought through what is important to you for a particular class.
