Ordinary People can do Extraordinary Things. July 7, 2020 by Sondra Baras. The world is in crisis. The COVID19 pandemic has not only not gone away but in many places, including in Israel, the situation has become more serious.

Ordinary People can do Extraordinary Things

Extraordinary Ideas from Ordinary People: A History of Citizen Science highlights naturalists—both past and present—and the impact their work and observations has had on science as we know it today. Rare books, art, photographs, and historical documents from our Research Library's 56,000-volume collection are displayed alongside plant and animal specimens and brought to life through touchable objects and multimedia experiences that allow deeper access to the works on display.
