Shelves: science-fiction, fiction, audio-book This is book two of the Alexis Carew series. This book is second in the series of Alexis Carew, Midshipman Carew is assigned to VERY unhappy ship HMS Hermione with a cruel at best captain. The whole story is a based around of one of the bloodiest mutiny's in the history of the British navy..I really liked the first book and this follow up is as good. Waiting for the 3rd book in the series.
