In a sense, this dichotomy is on full display in his latest book, "Screw Business As Usual," which makes an impassioned case for businesses of all shapes and sizes to become "a force for good." Sure, it's easy to make that case when your empire's already built and you're worth billions, and Branson is the first to admit that.

In fact, business as usual is wrecking this planet. Resources are being used up; the air, the sea, the land are all heavily polluted. The poor are getting poorer. Many are dying of starvation or because they can't afford a dollar a day for lifesaving medicine. "But my message is not all doom and gloom. I will describe how I think business can help fix things and create a more prosperous world for everyone.
