Pious Muslims consider the Quran to be a holy book, the word of God, and a miracle. One feature of the book believed to be miraculous is the expressiveness of its verses, as it is claimed they are too eloquent to be written by a human [citation needed].Another is the amount of scientific information believed to be in the Quran that was not known in the 7th century when the Quran was revealed ...

Quran and miracles - Wikipedia

The Quran (Koran, the book of Islam) contains scientific knowledge that could not have been known 1400 years ago. It ranges from basic arithmetics to the most advanced topics in astrophysics. You are invited to go through those miracles and judge for yourself.

Miracles Of Quran

One of the miracles mentioned in the Quran, although not mentioned in the Bible, is that fact that Jesus, while still in the cradle, spoke out to protect his mother Mary from any accusations people may have placed on her due to having a child without a father.
