Far more than a “business memoir,” *What Are the Odds?* is a raw, authentic account by a man many thought would never rise above his serial, addiction-fueled failures. Mike’s gripping narrative transports readers from his small-town tavern with its colorful cast of “Regulars” to Mexico and a drug deal gone awry.

What Are the Odds, or Odds Are, is a simple game where you dare another player to do a ridiculous task. One player asks another how likely they are to complete a dare, and then the second player picks a number between 2 and 100 as a limit for a number range. Both players then choose a number within the range.
